ORACLE MAGIC

A look back at 84-85 is something special for each student of DCHS. How true — "the place had a certain feeling and uniqueness about it." — parking lot antics, talking on the phone, and last minute assignments — *All* part of the feeling in the air that can be called "ORACLE MAGIC."

With the tingling feeling of being called to Dr. Hobbs' office, or the icy sensations of the pool at morning swim practice, many people felt and witnessed the magic of DCHS. There was a pulse of life as students progressed through the day looking forward to an exciting Friday night.

More Than Magic

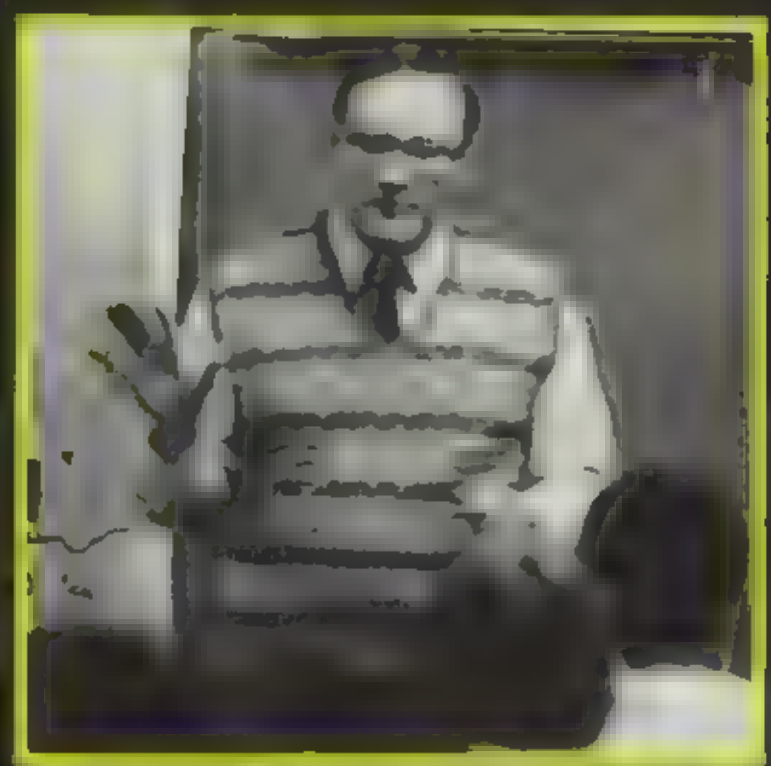

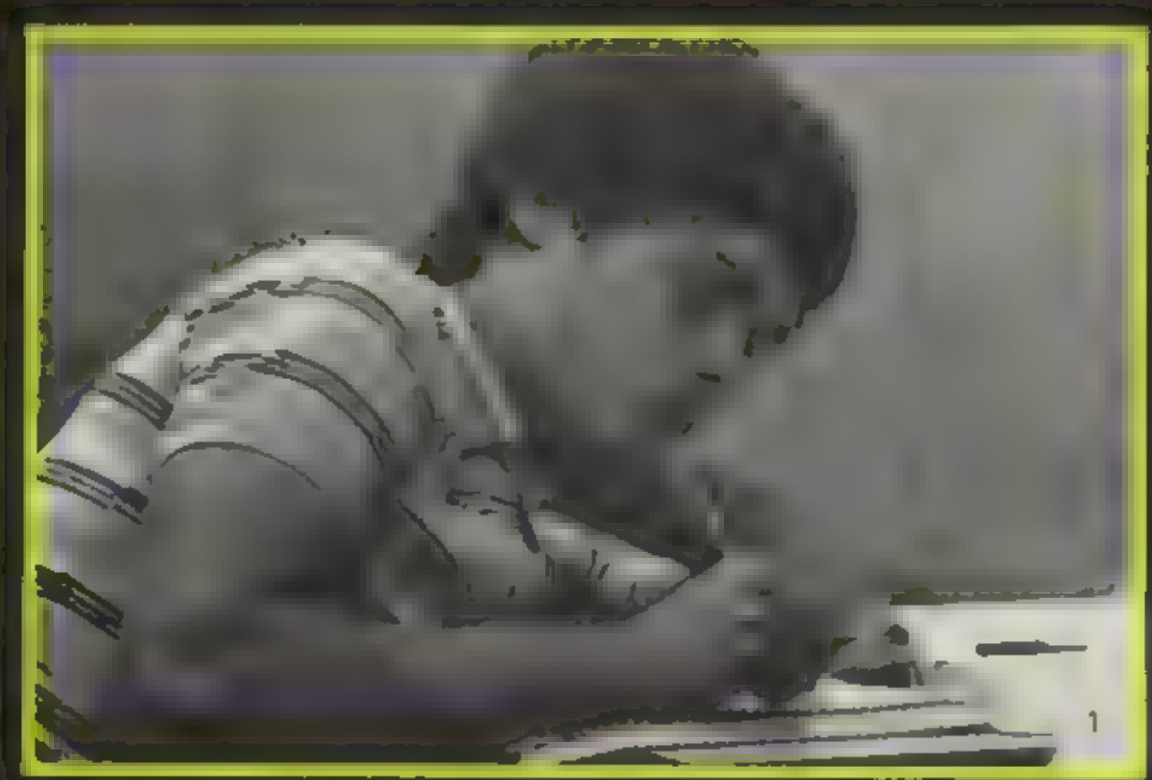

As a day drew to a close and the students departed, one felt an emptiness. There were no lockers slamming, no signs of laughter or sorrow, an empty space with no emotion; an echo of silence is haunting. It was not the place that was magical — *but the people.*

History is an important part of life. Many events and ideas in time has been beneficial to mankind and they need to be repeated. Likewise, too many unfortunate events have occurred that should not happen again. Sophomores study World History and Juniors investigate U.S. History. Also offered to juniors (as well as seniors) are economics, psychology, and sociology. The ever-important study of government is offered to seniors. SEN

Language, in its many forms, is considered to be the most important type of communication. The written and spoken word is an invaluable tool. The language departments at D.C.H.S. hone and refine that tool through grammar, literature, speech, and the study of foreign dialects. Besides the vernacular English, courses in Spanish and German are offered to linguistically minded students.

PE was required for frosh and sophs. It helped in development of skill and coordination and students learned the skills of many games. *Driver Education* aided one in learning how to be a good driver and the day on the road was great. *Health* classes studied human body structure and basic first aid. *Health Occupations* delved deeper into human health and prepared students for occupations in the health and medical fields. The second semester was spent in on the-job hospital experiences.

Students learned through the lectures and experimentation presented by Mr. David Hanna in the biological field. Mr. Mike Jones also taught the biological studies to his students. Mr. Charles Geheb instructed his students in the skills needed to determine the makeup of compositions and the wonder of physics. Students were given quite a few interesting problems to decide the outcome by experimenting and questioning. Experiments were always looked forward to because of their unpredictable results. Lectures and experiments were forever raising questions that were sometimes strange to the teachers.

Indoors and Out of Doors

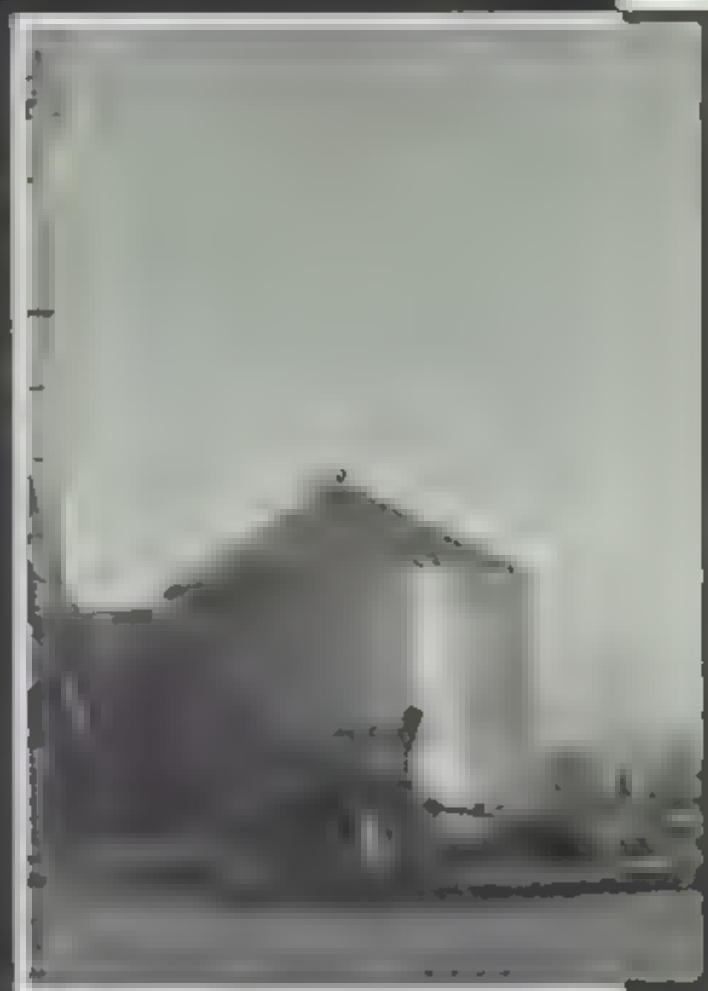

The area around DCHS was farm related, but man couldn't live by bread alone; he needed shelter from the storm. The school was proud of an excellent Ag system and Home Economics courses to match. Teachers taught students the ins and outs that made them better farmers, mechanics, and homemakers. Mrs. Bedeva Bowling taught students to better manage their time, money, and resources. Mr. Ross Striebeck and Mrs. Beth Thobald prepared class members for work-related lives in agriculture and horticulture. The Building Trades classes of Mr. James Sullivan presented practical experiences in all phases of building a house.

THE WEST SIDE STORY

Homecoming week at DCHS was very exciting. There were several dress days including *Toga Day*, *Nerd Day*, *Hawaiian Day*, and *50's Black and Gold Day*. There was a class competition which the seniors won. The different parts of the competition were: best banner, best skit, best locker decoration, and loudest cheers. A pep session was held on Friday afternoon at the courthouse square. The team played a good game but didn't pull off a win over West Lafayette.

The Varsity Football squad started their season at McCutcheon and their first win came at Lewis Cass with a 14 to 0 smash. The team was high-spirited which showed in their playing. Three wins were accounted for with victories over Lewis Cass (14 0), Southmont (18 7), and Central Catholic (26 7).

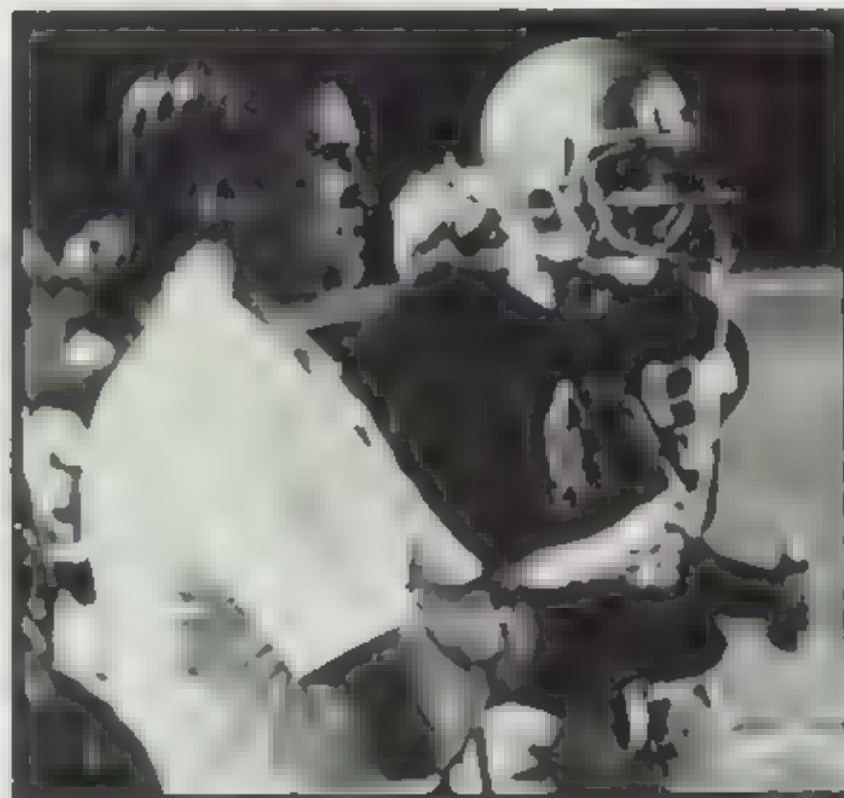

With eight seniors on the team, Coach Tony Berto had to depend on the underclassmen, somewhat. The squad played as a team though and showed their fans that there is hope for many future wins against opponents. Fan turnout was very good and the players used the applause to the best of their ability and gave quite a show.

Several members showed great potential. Joe Carlson, Bob Lynch, and John Kipp were given the honor of being chosen for the *Hoosier Conference Football Team* due to skill and sportsmanship. Bob Lynch also received awards for outstanding lineman and best mental attitude. John Kipp also took the most improved lineman award. Tom Gray received the most improved back award. Greg Crapse was named honorary captain. Bob Lynch and Joe Carlson were the team captains. The football team finished the season with a record of 3 and 7.

YOUNG GRIDDDERS SHOW PROMISE

The *Junior Varsity* and *Freshman Football* teams showed great potential this year. While they played the usual type of D.C.H.S. kind of game, these young gridders also displayed a style all their own. The *Junior Varsity* finished the season with a record of one win and seven losses.

The *Freshman Team* finished the season with five wins and three losses.

HARRIERS RACK THROUGH SEASON

The D.C.H.S. Cross Country Team hung up their shoes once more. As they soothe their sore feet and sort all the old and run-down shoes, they think about all the running they did. Their record was a tough 3-12. Jim McCurdy and Leigh Ann Wesner shared the *Most Valuable Player Awards*. David Wagner was named the *Most Improved Player*. There were 3 players that made *All Conference Team*. They were: Natalie Gish, Jim McCurdy and Leigh Ann Wesner. GOLF: TEAM SPIRIT SHOWS

The varsity golf team started their season at McCutcheon and their first win came at Benton Central. They finished third at the Kokomo Invitational. The girls finished third in the Hoosier Conference match with victories over Benton Central and Twin Lakes and tied a very good Harrison squad for the third spot. They finished sixth in the sectionals held at the difficult Municipal Course with a team score of 418. Low-scorers were Shail Black and Maggie McCormick. Most improved award was received by Connie Abbott while the Medalist award was taken by All-Hoosier Conference Shail Black.

GOLF TEAM HAS ENCOURAGING YEAR

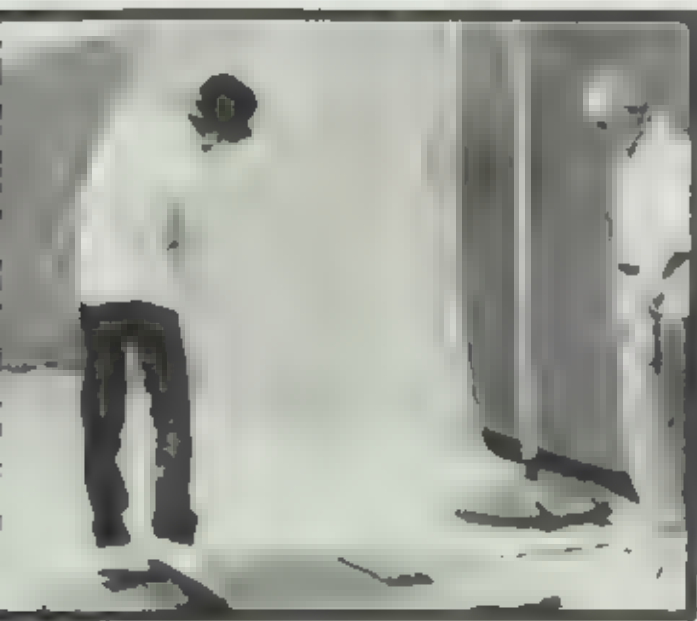

The 1985 Varsity and Junior Varsity Golf teams had a very encouraging year. With 6 juniors and 7 freshmen, the team played well together. There were some trying moments but all-in-all they were a success. These men had some difficult courses to play against some good teams. The competitive spirit emerged as the golfers tried to get the little ball into the hole. This task was not as easy as some people think. They usually pulled it off though when the scores came in. sry

They did well in the Hoosier Conference placing several swimmers in the top twelve. Tim Miller was Hoosier Conference champ in the 100 Breast Stroke and also first in the sectionals which got him to the state swim meet. They lost a valuable senior, Matt Phillips, but should have a pretty strong team next year.

GRAPPLERS GRAB SUCCESS

The wrestlers began their season at Twin Lakes and steadily got better as the year went along. Our grapplers progressed in skill as they tried to make goals that they set at the beginning of the season. DCHS sent six wrestlers to the regionals held at Logansport. The men that went were seniors were Bob Lynch and Doug Thomas, juniors David Scott and John Kipp, sophomore Doug Houser, and freshmen Darren McCurdy. The team finished 7th at the regionals. He also had a representative at the state meet in John Kipp. John tied for the 5th place seat. All in all, the people at DCHS were proud of the wrestlers and with most of them coming back, we expect to see even more out of the grapplers.

PASS — DRIBBLE — SHOOT — SCORE

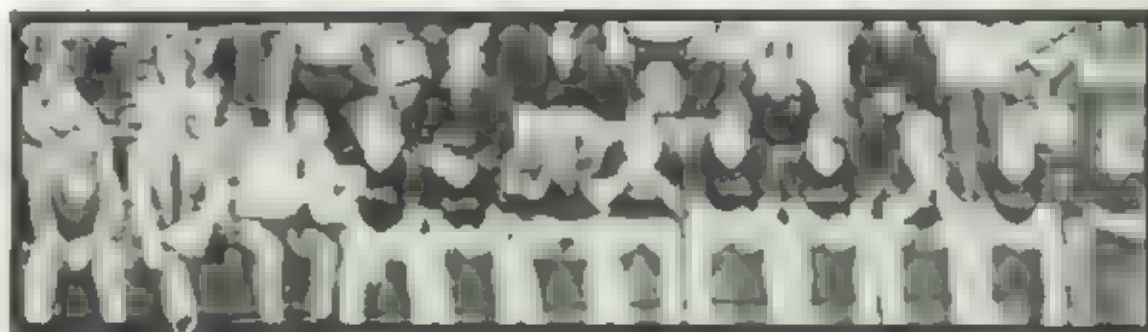

The 1984 85 DCHS basketball squad upheld the tradition of good sportsmanship and conduct this year. The men had a very trying season as they played some of the best teams in the state. The men of the hardwood showed their prowess in the sport in their first victory which came over Frontier in an exciting double overtime game with the Oracles coming out in the end with a two point lead. The team had only three seniors, nine juniors, and one sophomore. While they had relatively few underclassmen playing, the squad showed that they had that certain amount of DCHS quality skill that shows in all of the sports played in our school. Our men displayed the skill and integrity which makes them all a special set which strive for excellence.

The 1984-85 Frosh Basketball squad was a similar yet different type of team. They had the same style of talent that is in all of the DCHS sports but they also kept their own type. The new style used speed to dominate the floor while just enough height to gain the rebounds. These young men had a very exciting season as they played against some very good teams. The students at DCHS look forward to seeing them continue to play and expand their natural ability in the game.

They worked really hard and had a challenging season. Their record was 9 wins and 5 loses.

A SMASHING PERFORMANCE

Under the watchful eye of Coach Stuart Mathis, the tennis team honed and improved their playing skills. The team went up against strong opposition, but played with the pride of the Oracles. They had a season record of 1 and 15, and a conference record of 0 and 6.

The 1984-85 DCHS baseball teams were totally spectacular. They showed the know how in playing the game. The hard-hitters knocked the ball out on various occasions. Managing to get the outs and stop the runs, they won several games. Hard practice paid off as the men finished out the game with energy left over after expending a lot while playing. sry

HI-Y STANDS BY DIGNITY

The 84-85 year was a busy one for the *Hi-Y Club*. To help kick off the winter sports season, the club sponsored a dance after the first basketball game. This dance helped raise funds for some of the projects that were to occur throughout the year.

Although limited in numbers the club provided ushers for both the fall play and the spring musical.

At Christmas time, the organization delivered food baskets, purchased by the club, to people in need.

The group also donated money to the "Save the Lady" fund. All the members agreed that the restoring of the Statue of Liberty was a lasting and worthwhile cause.

These fine young men successfully upheld the dignity that the club has been known for over the years.

SCI-MATH — SOMETHING DIFFERENT

The Science Math Club was possibly one of the most active clubs during the 84-85 year. Despite the new state ruling on activity periods, the club was honored by the appearance of two distinguished speakers and took several field trips. Members were good about supporting this club at evening meetings.

They started out the year with a trip to Wright Patterson Air Force Base in Ohio. There, they were allowed to go through some impressive planes and were astonished by the complexity of the equipment. Another of their meetings was highlighted by a presentation on careers in Ag Science by Dr. Brandt from Purdue. Dr. Leman was also a distinguished guest speaker at one of the meetings. Dr. Leman spoke on IBM and advances in computers and voice synthesizers

C.A.M. — CUSTOM AUTO MECHANICS

Advisor Mr. William Gray was a big help to the members of CAM Club. The club had very few projects this year but the ones they did have were as impressive as ever. The club was also not as affected by the exclusion of activity period from their weekly schedules, thus depriving them of a meeting time and causing the club's membership to noticeably decrease in size as many other usually large and noteworthy clubs have been known to have had to do.

YOUTH A.R.C. MAKES GOOD

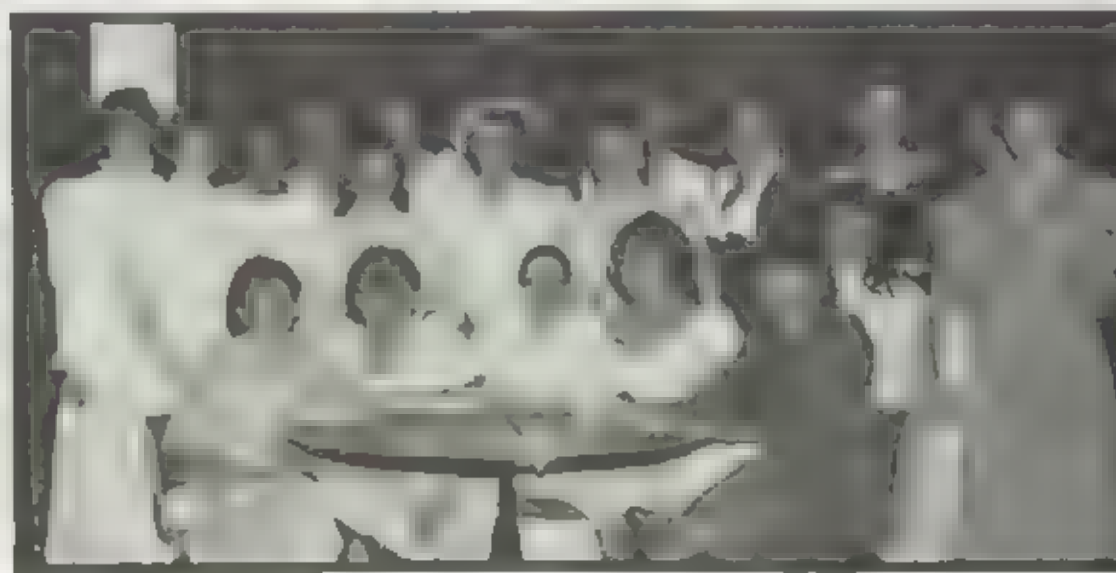

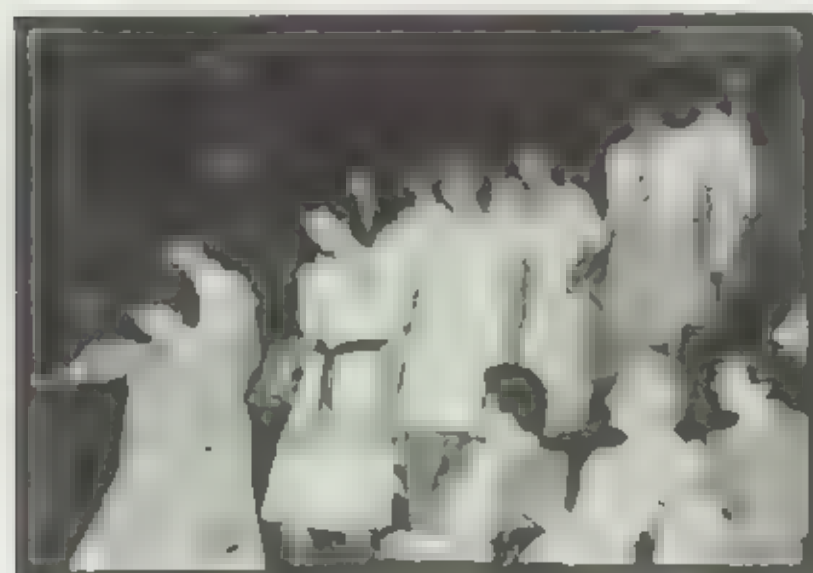

The Youth Association for Retarded Citizens' members made the children of Hillcrest's Special Education Department very happy with the many events that they sponsored throughout their year. They started out their year by giving their annual Halloween Party complete with games and delicious refreshments. A Christmas treat was planned and a few selected members gave the students their first festive holiday joy. In March, the club sponsored a roller skating party.

A movie-filled afternoon was the last in a series of scheduled events.

Student Council helped keep the Oracle Magic alive by working with the points given for grades earned — trying to make the system a little better for students at DCHS. The Council spiced up Homecoming by using sport cars to drive the queen candidates onto the track — this being the first time that cars were allowed to be used on the track. The Council also was very busy with the food committee. They sampled different foods for the cooks to help get a change of pace in our menu. Also, after five years, there are once again doors in the boys restroom — compliments of your Student Council. sLm

THE SAVAGE DILEMMA . . .

Six years ago, DCHS players brought to life the characters residing in the Cloisters. Mrs. Savage, title character of *The Curious Savage*, proved to be less crazy than many thought. She was merely eccentric.

On November 16th and 17th the sequel arrived. Mrs. Savage returned to the Cloisters and with many of her old friends provided audiences with another hilarious look at those characters that many took into their hearts six years earlier. They charmed people with a different view of life. These characters, along with two inept kidnappers and a not-so-bright police officer, delighted audiences with wonderful characterizations.

Parnassus, the name of the fabled mountain of the poets, is also the name of the school newspaper. The staff published a monthly paper with the help of Mrs. Earleen Alvarez. Vicki Parr was the only senior on staff. Kim Richardson, Jaci Stewart, and Marla Archer were all juniors. The girls worked on news features that happened in our school. They were the writers, photographers, and did their own layouts. The paper was widely looked forward to by all and was read with great enjoyment. Congratulations to a great staff.

Students Against Drunk Driving
 This group really came alive in the first 2 years of it life at DCHS. The club elected a Task Force, who traveled to meetings and tried to provide DCHS with helpful hints with this problem of drinking and driving. The club stands for people who wanted to help others get to their destination safely. They were not trying to be the "police force". They were only concerned with the health and well-being of the students at DCHS. sLm

THE WORLD ACCORDING TO

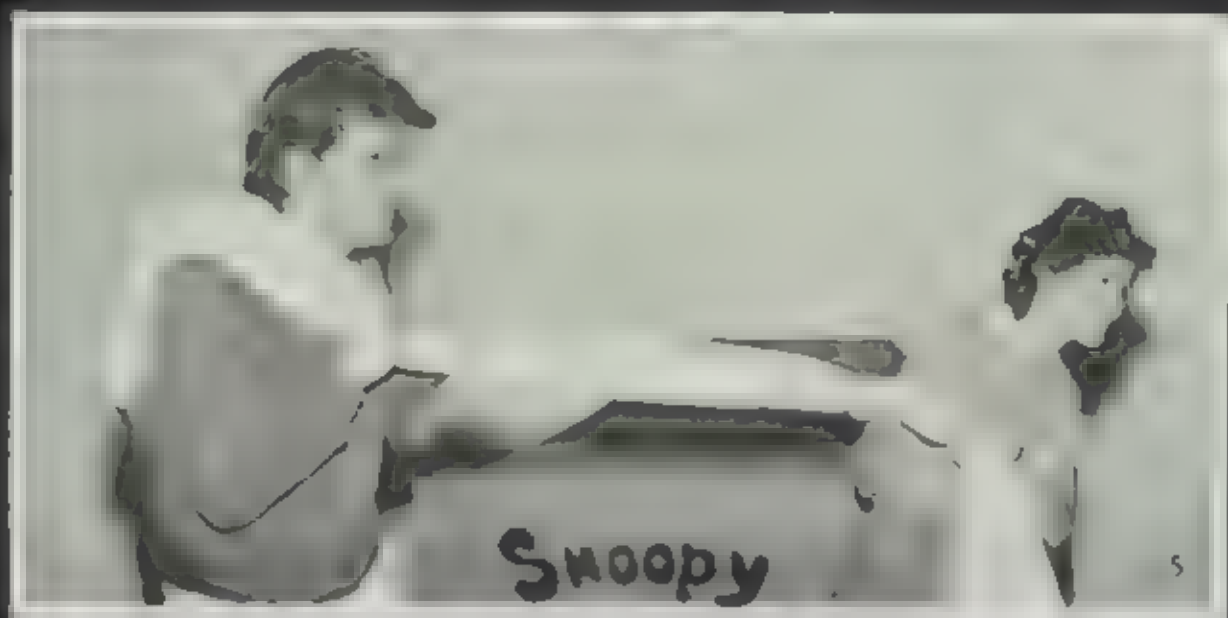

Phrases such as "Good Grief" and "Bleah" were not out of the ordinary if one attended the musical "Snoopy" in the Little Theater on March 8, 9, 10.

Audiences delighted in seeing Woodstock fall in love, only to be heartbroken; Snoopy's attempt at "the novel"; and Lucy's triumphatory as she declares 1965 "my year." There were so many moments that so many identified with A sit with Linus in the pumpkin patch, the innocent affair of Peppermint Patty and Charlie Brown turned sour, and the struggle to help Sally get an "A" of her coat hanger sculpture was just what the doctor ordered.

A night filled with songs and laughter was made possible by many talented people — accompanist, crew, cast, set builders, and directors.

THE GOLDEN SOUNDS OF DCHS

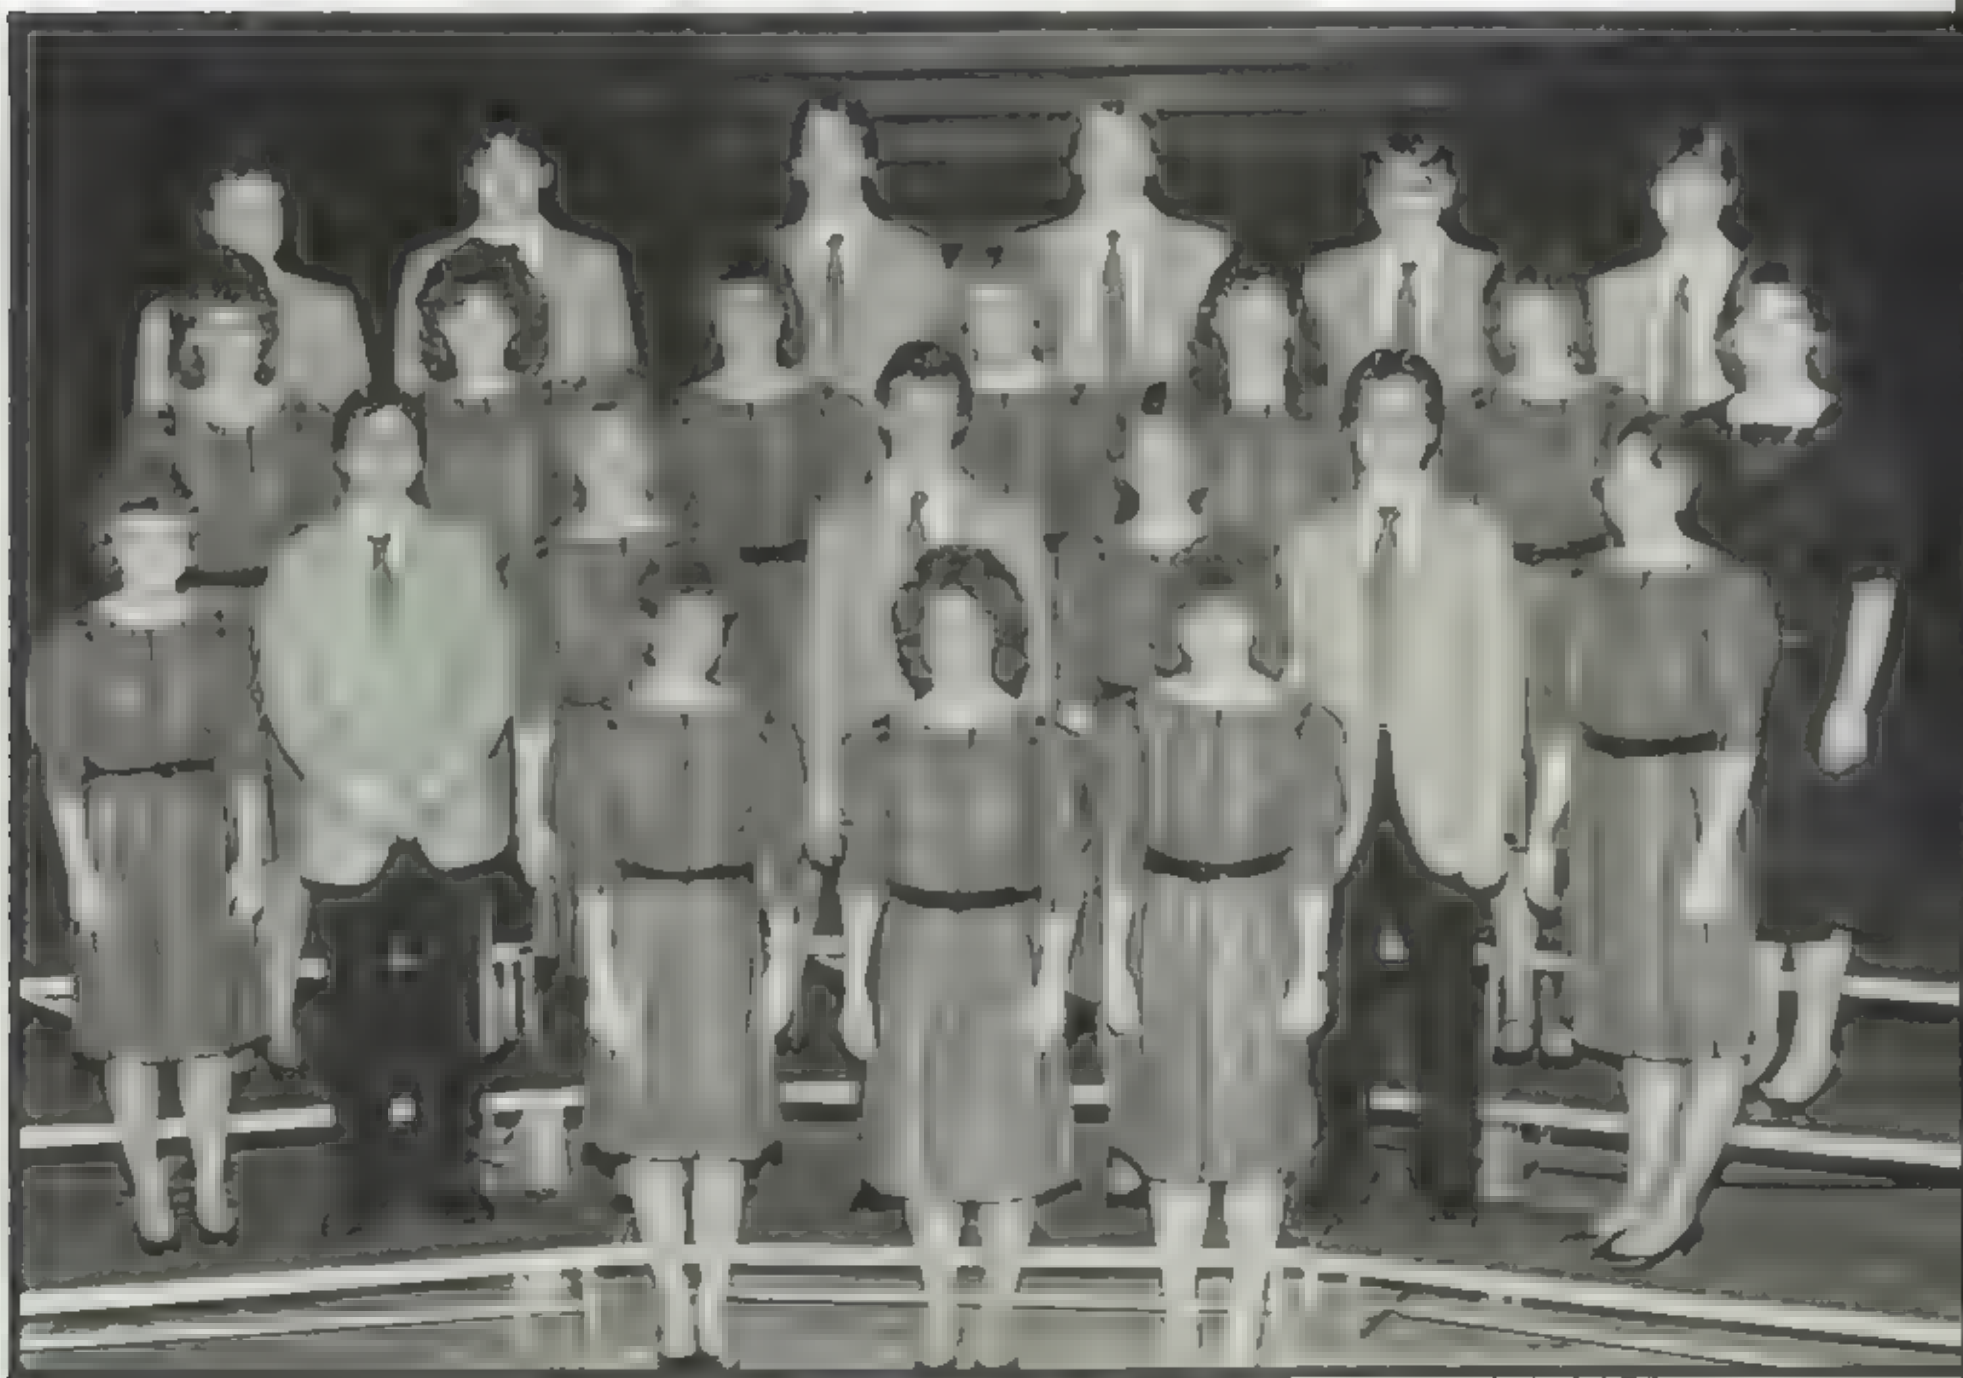

The *A Capella* and the *Concert Choirs* made many appearances under the expert direction of Mr. Kevin Kayser. Some of their activities included a Christmas concert, a spring concert, and *Oracle Bandstand*.

Students from both choirs performed in a solo-ensemble contest. Congratulations go to Pat Pearson and Julie Branham for receiving first places. They had a chance to go to state level and compete there. The group choirs went to a contest in the spring, also.

THE SOUND OF MUSIC CONTINUES

... RHYTHM AND HARMONY

Under the direction of Mr. Kevin Kayser, *The Entertainers* performed for many people and their list of accomplishments is a long one. They sang for the Jackson-Lee-Pearson company, in churches, during *Oracle Bandstand*, and they were to go to a swing choir contest, not to mention all the banquets that they sang at. They were accompanied on the piano by Chris Flora.

Madrigals are another choir group. They are also under the direction of Mr. Kayser. They sang during spring and Christmas concerts with the larger choirs.

Barbershop Quartet went to a solo-ensemble contest and received a first place. Our congratulations go to those four boys.

THE PIED PIPERS OF DCHS

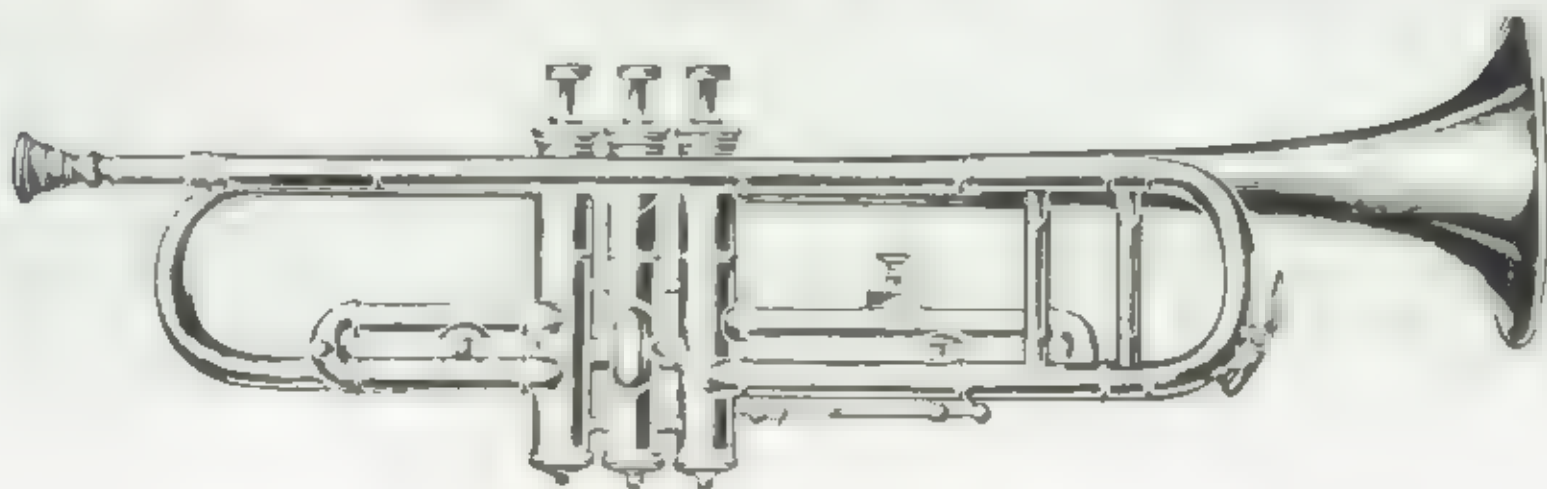

The school year was filled with enchanted music as the bands, under the direction of Mr. Lester Tomlinson, gave many exciting concerts. They traveled to Manchester College for a command performance. The band members participated in a music workshop with students from Ball State University.

THE FUTURE LOOMS — NEW DAYS,

The day was bright and clear — Monday, March 11, 1985. *Career Day*. The guidance department had pulled all stops in planning an event when students would have an opportunity to learn about the great number of *different* kinds of occupations they would have the chance to partake of in the future. Specialists from business, manufacturing, the office, agriculture, health occupations, technological careers, law enforcement, *all* branches of the military, and counselors from widely scattered and diversified colleges gave information and helped students explore experiences in a myriad of fields. The seniors went by bus to visit all of the factories in the area for a first-hand on-the-job look. A great day for all.

FACULTY — PEOPLE WHO CARE

Teacher. What does this word mean? Friend? Leader? Guide? Babysitter? Test Maker? Heart Breaker? Maybe all of these things. In the teachers of DCHS we found a quality of caring which is one of the

most important traits a teacher can possess. Going that extra step, spending those extra hours, which in the long run will pay-off. This year we say good-bye to two all-time favorites: Mr. Berto & Mr. Sulli-

van. They will be greatly missed. We are saying hello to two new teachers, may they gain these certain qualities that DCHS teachers pride themselves with. sLm

Funny How Time Slips Away.

Yesterday I sat Thinking of You, Grasping for a Memory or two, hoping to remember The Way We Were.

Yes, Those Were the Days

"We've Only Just Begun" I said. You are the Sunshine of My Life and I'll remember you Till the End of Time.

Yes, I Remember It Well

Tomorrow became Yesterday and we went our separate ways. But still I promised, "Come Rain or Come Shine, You'll be Always on My Mind". Little did I know that I'd be Leaving on A Jet Plane, burying the Feelings and good times You and I shared Through the Years.

Decades passed, and it wasn't until you weren't there to Catch My Fall, that I realized that I was Missing You. I Guess That's Why They Call It The Blues.

"Try to Remember", I told myself "how You Decorated My Life"

If it hadn't been for a young man's cry of "Looks Like We Made It" on his graduation day, all hope would have been buried by Time.

As I rushed to sort through pictures and letters of yesteryear, I realized that They Were You, and that There's Always Something There to Remind Me of you, and no matter where we go our friendship can remain Evergreen.

ACHIEVERS OF '85

Each Tuesday two young men, selected from the senior class, attended a *Rotary Club* luncheon. Following these luncheons, they enjoyed guest speakers and learned more about *Rotary* and its worthwhile functions. These *Jr. Rotarians* switched every month to allow others to attend, making it an honor that several received.

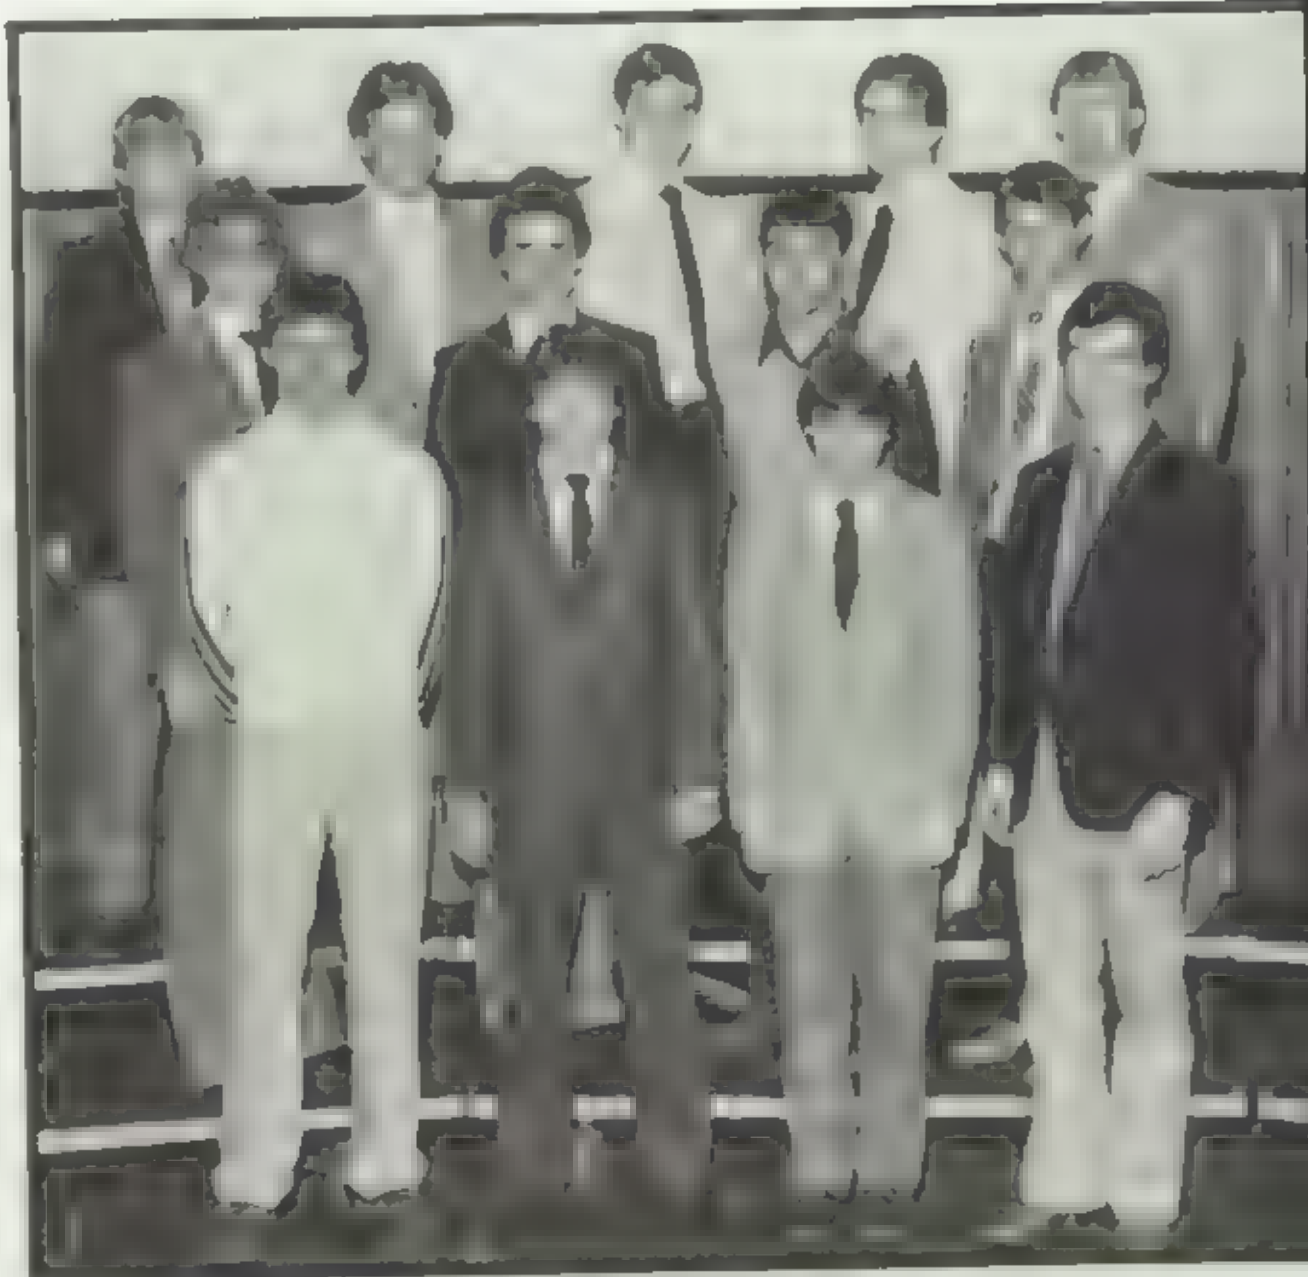

Hoosier Boys and Girls Staters spent a week at Indiana State University discovering the many facets of state and local government. These students participated in elections for state and local offices which formed an imaginary state. Staters were eligible for the many opportunities in government offices, such as police officers, mayors, senators or the role of an ordinary citizen. Sponsored by the local *American Legion*, these fine young people broadened their horizons while making many long-distance and lasting friendships in the process.

Reality was more Beverly Richter's style in that she became the first student to be selected from a senior Government class to fill a seat on the *Delphi City Council*. Beverly was able to voice her opinion and listen to the many cases that came before the council. Although she wasn't able to vote on the issues, Beverly got an inside look at government in action.

The above seniors are but a handful of the many achievers in the class of '85. Many a success story can be expected from these people and their classmates.

OH HOW WE'VE

CHANGED!!!

WE MADE IT — 85'

May 26, 1985 — At 4:00 p.m., the trumpets sounded. The gymnasium was filled and silent as the seniors filed in. Reflections of the past and hopes for the future flashed through the minds of many as the diplomas were handed out. No matter how far apart the class had drifted in the past, they were once again brought together by the common fact that they were graduating. All at once the tassels had been turned and the band had started playing once again, signaling an end to the ceremony that marked another milestone and a new beginning. Yes, they marched in as seniors of DCHS, and marched out as inheritors of the world.

Farewell, class of 85!

JUNIORS

The past year was a busy one for the class of '86 Juniors. Under the guidance of Mr. Charles Geheb and Mrs. Debra Fisher the Juniors worked hard to sell magazines and set a new record.

The class officers were: Matt Zimpher, President; Marla Archer, Vice President; Tina Hoshaw, Secretary; and Michelle Coble, Treasurer.

The year was filled with homework, taking tests, studying for the SAT, and planning for college.

ALMOST PARADISE

The theme for the '85 Junior-Senior Prom was *Almost Paradise*. The band — *The Lennon Brothers*. The setting — *The Commons*. The atmosphere — *Romantic*. The prom committee worked hard decorating the Commons on Friday night and Saturday morning. There was much work and planning by the committee who well deserved a big "thank You". The after-prom was held at Market Square Lanes. Highlights were exciting bowling games and prizes for all. The after-prom was a huge success.

CLASS OF '87

Early in the spring of their freshman year, the Class of 1987 chose their class officers. They were on the lookout for those students who would be dedicated, those who wouldn't hesitate to work a little harder than all the other students, those who would give their *all* for the job. Those who were finally chosen met all the chosen standards.

The Sophomore officers were. *FRONT.* Michelle Grandstaff, Vice President; Dwayne Goad, President; Melissa Coble, Treasurer; and not pictured, Yvonne Cox, Secretary. *BACK:* Mrs. Laura Baker and Mr. David Beale, sponsors.

THE STARS OF THE FRESHMAN

The 1984-85 Freshman Class was totally new to the style of teaching and work required at DCHS. They had to learn a new and different way to study as they prepared themselves for the rest of their lives. The frosh fit right in with the other students after a few weeks as they joined various sports and other activities. The students showed academic excellence along with skill in athletics. They fulfilled their commitment to uphold the integrity of the school.

I AM THE SPIRIT

The Magic of the games were displayed by all DCHS athletes. From the silence before the kick-off to the moment before the gun explodes. The magical feeling engulfed all who looked on. Those watching build levels of excitement that were channeled to the efforts of the team. It takes caring coaches to make a winning team. Our athletes are special material, so this page is for you. Through all the times you felt pain but never lost determination, you in the end help the victors cup. slm

Scenario For A Winner

A winner says, "Let's find out." A loser says, "Nobody knows."

A winner makes commitments. A loser makes promises.

A winner says, "I'm good, but not as good as I ought to be."

A loser says, "I'm not as bad as a lot of other people."

A winner credits his "good luck" for winning — even

though it wasn't his good luck. A loser blames his "bad

luck" for losing — even though it wasn't his bad luck.

A winner listens; a loser just waits until it's his turn to talk.

A winner does more than his job; a loser says, "I only work here."

A winner says, "I fell." A loser says, "Somebody pushed me."

We, the editors of the 1985 Oracle, hope that this book proves to be an excellent reminder of the year that was — 1985.

We would like to thank our advertisers for supporting this book and hope we will preserve the history of their business's existence for years to come. The seniors, club and activities photos are the work of Jerry's Photography and are nothing short of excellent. Thanks is also due to Brown Photography for athletic team pictures.

We appreciate the '85 Oracle Staff for not only helping make the history contained in these pages but for putting it together as well. Mr. Jack Sanders, advisor, co-worker and friend, deserves of the deepest gratitude and admiration. Thanks.

A thank you to you the students of DCHS, for allowing us to share your joys and sorrows, your hopes and dreams, and your personalities. If only to record them in this book.

The figures inhabiting this place called DCHS leave now — some until next year — some forever. Only they know what was and always will be Oracle Magic.
